Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Breast Health Center at University Hospitals Parma Medical Center Project in FY 2023:

The entity to receive funding for this project is University Hospitals Cleveland Medical Center, located at 11100 Euclid Ave, Cleveland, Ohio 44106.

The funding would be used to establish a comprehensive Breast Health Center at University Hospitals. The project would be a valuable use of taxpayer funds because it will enhance and expand breast health services at University Hospitals by modifying the breast surgeons' office suite and will upgrade diagnostic equipment. It will allow for walk-in screening and extended hours, expanded access to specialized breast radiologists and surgeons, and will increase annual mammogram volume to combat breast cancer.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez  
Member of Congress
